# Our theme

"Old Ceylon," invites you to step back in time to the elegance and charm of Sri Lanka before 1948. This era beautifully blends the grace of traditional Sri Lankan culture with the refinement of British colonial influences, creating a unique mix of Old Ceylon and a distinctive British vibe. Inspired by this rich heritage, the costumes for the event can be creatively reimagined to showcase a perfect fusion of vintage sophistication and contemporary flair. Join us in celebrating this timeless style.
